For: APPARATUS AND METHODS FOR)	
ANALYSIS AND SORTING OF...)	

PETITION TO CORRECT NAME OF ASSIGNEE ON GRANTED PATENT

U.S. Patent and Trademark Office
Customer Service Window
Randolph Building, Mail Stop Petitions
401 Dulany Street
Alexandria, VA 22314

Sir:

Applicants, through their undersigned attorney, hereby petition, pursuant to 37 CFR 3.81(b), for correction of the name of the assignee on the above-identified granted U.S. patent.

The name of the assignee was incorrectly designated in item 3 of the Issue Fee Transmittal Form (PTOL-85b) filed December 1, 2010. The Issue Fee transmittal incorrectly identified the assignee as "NOVO NORKISK A/S". However, the city name is listed on the issue fee transmittal as "Bagsvaerd" but listed incorrectly on the face of the patent as "Baysvaerd". It should have been listed as "NOVO NORDISK A/S", "Bagsvaerd", as evidenced by the attached copy of the Patent Assignment Abstract of Title page printed from the records of the PTO.

In view of the above evidence, it is clear that the assignee should have been identified as "NOVO NORDISK A/S", and the city identified as "Bagsvaerd".

A Request for a Certificate of Correction under §1.323 is attached, accompanied by the required fee of \$100.00 as set forth in §1.20(a).

The required petition fee of \$130.00, as set forth under 37 CFR 1.17(i), is being paid by credit card. It is respectfully requested that any deficiency in the attached fees be charged to the deposit account of the undersigned (02-4035).

Respectfully submitted,

BROWDY AND NEWMARK, P.L.L.C.
Attorneys for Applicant(s)
